No importa que pasÃ³, si fuiste o no
la unica causa del problema
No importa si creÃ©, y tu ya no, ni quien no dÃ©
si ideÃ³ ni la manera

Because I need you, I dream of you each night
Awake to be with you, to be with you
Because I feel you, I've longing for your touch
missing you so much
When'll you come back to love?

Y sÃ©
Que lo que el alma escribe no se borra, se queda en mi
Y sÃ©
Que lo que el mundo diga no me importa, se que te
quiero
sÃ© que te espero

No matter where you go
My love for you will grow
I'm waiting so patiently
I still hold on to this, the memory of your kiss
The laming'll never come back to me

Por que te pienso, y nada mÃ¡s importa, nada
Por que te siento, vivir sin ti, no alcanza

I know
This feeling in my soul will never fade away
My love will stay
I know
It doesn't even matter what the world may say
I know that I love you, I know that I'm goin' away

Y sÃ©
Que tal vez huyÃ³
Que tal vez se terminÃ³
Saber de ti es mi unica esperanza

Y sÃ©
Que lo que el alma escribe, no se borra

My love will stay, I know
It doesn't even matter what the world may say
I know that I love you, I know that I'm goin' away
Cuanto lo sÃ©...
