Go tell it on the mountain
Go tell it on the mountain
That Jesus Christ was born

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ was born

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ was born

While shepherd kept their watching
Over the silent flocks by night
He poured throughout the heavens
They shined that holy light

I'm telling you to
Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ was born

Well, when I was a seeker
I sought both night and day
I sought the Lord to help me
And he showed me the way

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ was born

Well, he brought with him forgiveness
And he showed us the way
Saving all of God's creations
Washed our sins away
Upon the lonely manger
Where the baby was born
And hey!

Ain't nobody got to worry no more

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ was born

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ was born
Our Savior, he was
Never been the same since the Savior was born
