Today I am living, cause my heart is beating
I wanna be next to you
I wanna breathe next to you
Tell me where you are
If you are still far
Cause I need you now
I wanna be next to you
I wanna breathe next to you

Chorus:

God Iâ€™m going crazy, cause youâ€™re tearing me apart
And I need you baby
Can you come and save my heart
God Iâ€™m going crazy, cause youâ€™re tearing me apart
And I need you baby
Can you come and save my heart

I donâ€™t wanna be in the heartbreak feeling
I wanna be next to you
I wanna breathe next to you
Tell me where you are
If you are still far
Cause I need you now
I wanna be next to you
I wanna breathe next to you

Chorus:

God Iâ€™m going crazy, cause youâ€™re tearing me apart
And I need you baby
Can you come and save my heart
God Iâ€™m going crazy, cause youâ€™re tearing me aWart
And I need you baby
Can you come and save my heart
