There's something peaceful in your eyes
Did not take long to realize
Found what I was looking for and a place to hide away
when nights are cold
I believe, I believe, I believe I found a place, yeah
Somebody out there, believe, I believe, I believe I found
a way, yeah
Somebody calls my name

No use in trying to analyze
I'm so content with my surprise
Found what I was looking for and a place to keep me
warm when nights are cold

I believe, I believe, I believe I found a place, yeah
Somebody out there, believe, I believe, I believe I found
a way, yeah
Somebody calls my name

I found what I was looking for and a place to hide away
when nights are cold

I believe, I believe, I believe I found a place, yeah
Somebody out there, believe, I believe, I believe I found
a way, yeah
Somebody calls my name
