Every day, the deficit grows,
You spend more than you own,
Papa always said to me,
"Keep a close eye on your authority,"

You say that you care,
I was unaware,
You say that you care,
I was unaware,

All you do is push, pull, tear,
We can't stretch it any farther,
Push, pull, tear,
We can't stretch any farther,

Every day, taxes increase,
So is this our land or is this our lease?
Papa said, "Son, it's the land of the free,"
As he broke his back trying to make ends meet,

You say that you care,
I was unaware,
You say that you care,
I was unaware,

All you do is push, pull, tear,
We can't stretch any farther,
Push, pull, tear,
We can't stretch any farther,
Push, pull, tear,
We can't stretch any farther,
Push, pull, tear,

Yeah,

You say that you care,
I was unaware,
You say that you care,
I was unaware,

'Cause all you do is push, pull, tear,
Oh, all you do is push, pull, tear,

Oh, push, pull, tear,
We can't stretch it any farther,
Push, pull, tear,

No, no,
We can't stretch it any farther,
Push and pull, tear,
We can't stretch any farther, no,
We can't stretch it any farther,
Push, pull, tear,
We can't stretch any farther, no, no.
