Intro:

By End Of This Day! x3

Verse:

You'll See, that there is  
no solution to go back  
to reverse(undo) what you've done  
the day has been gone

Night comes, so don't forget  
to hurry up as long as you can  
And don't have regrets about  
what you're gonna do

Chorus:

So now it's time to go  
time to take you home  
let it all fall down  
and you'll see that soon

We all can have fun  
don't have to be alone  
just don't hold back  
and let endorphin flow

Verse:

Monday morning, can't even get up  
party all along sunday  
and thats sure all i've got  
Hey, guys! wake up!

Lessons all day,  
WHAT THE FUCK!

Chorus:

So now it's time to go  
time to take you home  
let it all fall down  
and you'll see that soon

We all can have fun  
don't have to be alone

just don't hold back  
and let endorphin flow

Breakdown:

Let it out, shout it out  
to the world, to yourself  
when the week is done,  
all weak will be gone  
only the strongest can survive  
in the nightlife  
cause nightlife  
is highlife

Chorus:

So now it's time to go  
time to take you home  
let it all fall down  
and you'll see that soon

We all can have fun  
don't have to be alone  
just don't hold back  
and let endorphin flow

Chorus 2:

So now please take me home  
don't let me here /alone  
Let's get away from here  
some quiet place to go  
Let the music play  
let the love come by  
shout into the world  
that you feel like you can fly
