[VERSE 1]

Close the door, I'll be fine.
Just a nightmare, It can't be real.
You held my hand all this years, you were the one.
All these years are memories of your life.

Â

[CHORUS]

That's not another morning, that's not our last
goodbye,
That's just another nightmare, I just can't say goodbye.
I know you'll never leave me, I know this can't be true.
I have to be stronger, and win this fight for you.

Â

[VERSE 2]

That's the way, you make me feel.
Kill me now or let me live.
You're the light through all this pain,
You will never fade away.

Â

[CHORUS]

That's not another morning, that's not our last
goodbye,
That's just another nightmare, I just can't say goodbye.
I know you'll never leave me, I know this can't be true.
I have to be stronger, and win this fight for you.

Â

[BRIDGE]

Now you're gone, I'm alone.
I will fight, I'll be fine.
I will live, by the two.
I will fight, I love you.

Â

[SOLO]

Don't give up, I'm with you,
Fight for life, I love you.

Â

[SOLO + CHORUS]

That's not another morning, that's not our last
goodbye, (Don't give up, I'm with you.)
That's just another nightmare, I just can't say goodbye.
(Fight for life, I'll be with you.)
I know you'll never leave me, I know this can't be true.

(Don't give up, I'm with you.)
I have to be stronger, and win this fight for you. (Fight
for life, I'll be with you.)
