I've fallen once before,  
When I lost my way to you,  
In the freedom of the night,  
When feelings start to fly  
And the spirits of your soul  
They're the ones I want to know  
As they grip me true and tight,  
I give myself to you.

And now you're taking these chances,  
These chances on me,  
I hope they're not wasted,  
Wasted when you see,

That I've been a fool,  
A fool for you,  
But only a fool could love you,  
Like I do.

We're fleeting like the stars  
And you caught me unaware  
And is this how angels fall,  
And now I fear to tread,

Now you're taking these chances,  
These chances on me,  
I hope they're not wasted,  
Wasted when you see,

That I've been a fool,  
A fool for you,  
But only a fool could love you,  
Like I do.

Like I do,  
Like I do,  
Like I do.

Cause I've been a fool,  
A fool for you,  
But only a fool could love you,

Like I do.  
[x2]

Now you're taking these chances,  
These chances on me,  
I hope they're not wasted,  
Wasted when you see,

That I've been a fool.
