Give me one good reason to change. You better turn
your back and walk away.

Who are you to judge? You don't even know. I don't
need your approval.

Act of kindness (don't look back) sign of weakness? A
friendly gesture. (you blew me off)

Heart and soul was handed to you in a shrink wrapped
package.

Inside my blood and tears, feelings that i supressed
for years from people like you.

You don't owe me, there's nothing left to say. All i ask is
listen.

Act of kindness (don't look back) sign of weakness? A
friendly gesture. (you blew me off)
