Don't you think, I know what you're doing?
You're coming through the door with a smile
And all the times, I tried to forgive you

Well, that was just another surprise
I've been waiting for to come
So a brand new life awaits
Yeah, a brand new life

Live a new life, I'm strong like this
Life a new life, I can't forgive
Live a new life, I'm strong like this
Happy as can be as I ever could be

Nothing you can say that will help you
Finally, I made up my mind
I found a track away from the circle

Well, that was just another surprise
I've been waiting for to come
So a brand new life awaits
Yeah, a brand new life

Live a new life, I'm strong like this
Life a new life, I can't forgive
Live a new life, I'm strong like this
Happy as can be as I ever could be

Well, I was down under the ice
And I never could get up
Yeah, I was down so fucking deep
But I never would give up

Well, that was just another surprise
I've been waiting for to come
So a brand new life awaits
Yeah, a brand new life

Live a new life, I'm strong like this
Life a new life, I can't forgive
Live a new life, I'm strong like this
Happy as can be as I ever could be
