I am obliged to believe
It's all in vain
Break my back for you everyday
It's all insane
Break my back
Ahah
You pledge your innocence to me
I am obsessed with a thought
Won't go away
Never get a chance to enjoy
I know my place
Break my back
Ahah
You pledge your innocence to me

I had a feeling I was right
I won't give up without a fight
I had a feeling I was right
Now we know how things has got to be
Am I supposed to accept
Another lie?
Have to be prepared when I give
You my reply
Break my back
Ahah
You pledge your innocence to me

I take the words that I still hear and throw 'em in your
face
Take the words that I still hear and throw 'em in your
face (x3)
In your face
