Bow your head and fold your hands  
Master celebrator  
No one gets a second chance  
Master master  
Raise your voice and start to speak  
Master celebrator  
Climb the mountain to it's peak  
Master celebrator

But I don't know, I don't know  
Who knows  
No one no one seems to do any better  
When they cross the border  
No one no one seems to do any better

When they cross the border line  
Well I'm fine

Raise your head and say the word  
Master celebrator  
Find a way to fool the herd  
Master master  
Fill their heads with empty phrases  
Master celebrator  
Look into their hollow faces  
Master celebrator

Looking back through the years  
What history tells us
