Over the mountain down in the valley
There's a place where I can still be free
Tempted hard enough, just had to follow
Separated my mind from me, but
Wandering hazy
All the time that I have lost
Wandering hazy
All the time was not enough
Mine my mind
Mine my mind
Out of the blender into the fire
That's the story I will have to tell
No one can deny life was a shadow
Isolation my remedy, but
