

No Fun At All "Thinking"

It's getting colder and darker each day
The winter's here and there's nothing to say
The snow keeps falling on and on
When will the happy summer come

Oh, I'm thinking and thinking of days in the sun
Thinking just makes me glad
Thinking and thinking of days in the sun
Thinking it drives me wild

The snow keeps falling on and on
And it's been ages since I've seen the sun
I'm getting desperate, I want to be warm
I need the UVs in natural form.

Oh, I'm thinking and thinking of days in the sun
Thinking just makes me glad
Thinking and thinking of days in the sun
Thinking it drives me wild
