There's something peaceful in your eyes
Did not take long to realize
Found what I was looking for
And a place to hide away when nights are cold

I believe, I believe, I believe I found a place, yeah
Somebody out there
Believe, I believe, I believe I found a way, yeah
Somebody calls my name

No use in trying to analyze
I'm so content with my surprise
Found what I was looking for
And a place to keep me warm when nights are cold

I believe, I believe, I believe I found a place, yeah
Somebody out there
Believe, I believe, I believe I found a way, yeah
Somebody calls my name

I found what I was looking for
And a place to hide away when nights are cold

I believe, I believe, I believe I found a place, yeah
Somebody out there
Believe, I believe, I believe I found a way, yeah
Somebody calls my name
