[Originally by Circle Jerks]

I was so wasted [x2]

I was a hippie

I was a burnout

I was a dropout

Do you know what's on in my head, I was a surfer

I had a skateboard

I was so hidden man

Do you know why I live on the strand, I was so wasted

Wasted

I was so wasted

Wasted

I was a fucked-up

I was a screwed-up

I was a jagged-up

Did you ever get higher than that, I was a build-up

I was a lift-up

I was a jagged-up

I was out of my head, I was so wasted

Wasted

I was so wasted

Wasted
