Where's the truth that I wanna find  
Where's the truth now can you, can you  
Where's the truth that I'll never find  
Where's the truth now can you, can you

Where's the truth that I wanna find  
Where's the truth now can you, can you  
Where's the truth that I'll never find  
Where's the truth now can you, can you see

I'll keep on searching  
Hope I will find it someday  
I'll keep on searching  
Baby, won't help me anyway

Where's the truth that I wanna find  
Where's the truth now can you, can you  
Where's the truth that I'll never find  
Where's the truth now can you, can you see

I'll keep on searching  
Hope I will find it someday  
I'll keep on searching  
Baby, won't help me anyway

I'll keep on searching  
Hope I will find it someday  
I'll keep on searching  
Baby, won't help me anyway
