Youâ€™re the finest, girl
Donâ€™t you deny it ohhh oh ohhhh
Canâ€™t hide this feeling, girl
I canâ€™t do this no not anymoreee

Pre-Chorus:

Every single time I sit by myself
Thinking bout the moments I had in the past
Thinking bout tmrw thinking bout tonight
After all these times youre still (on my mind, girl)* sing
it
|People say| you gotta keep going donâ€™t turn back
but girl this (aint working
The way I see it thatâ€™s all I have
I donâ€™t want another chance I just want me back) *
Look what youâ€™ve done you took all that I had
Now Iâ€™m stuck in the moment with this mess in my
head, girl
Cant move back gotta keep it cool with or without you
Iâ€™ll make it thru

Chorus:

Youâ€™re the finest, girl
Donâ€™t you deny it ohhh oh ohhhh
Canâ€™t hide this feeling, girl
I canâ€™t do this no not anymoreee

Bridge:

Canâ€™t you see that this ainâ€™t worth nothing
This whole thing was just a lie
Girl you said I aint the only one hurting but youre eyes
are truly dry
I donâ€™t wna lie but Iâ€™m gna try to put this behind
But this will be in my head forever no matter no matter
how hard I try

Chorus:

Youâ€™re the finest, girl
Donâ€™t you deny it ohhh oh ohhhh
Canâ€™t hide this feeling, girl
I canâ€™t do this no not anymoreee
