Oh oh oh (x2's)
you were in collage working part time waiting tables;
left a small town,never looked back.
i was a flight risk,with a fear of falling.
wondered why we bothered with love if it never last?
i say can u belive it,as were lying on the couch
the moment i can see it yes,yes
i can see it now

Do You remember we were sitting there by the water?
you put your arm around me for the first time.
you made a rebell of a careless mans careful
daughter.
you are the best thing thats ever been mine.

Flash forward and were taking on the world together
and theres a drawer with my things in your place
you learned my secrets and figured out why i have
them
Say youll never make my parents mistake
we got bills to pay
we got nothing figured out
when it was hard to take ,yes,yes
this is wat i thought about

Do You remember we were sitting there by the water?
you put your arm around me for the first time.
you made a rebell of a careless mans careful
daughter.
you are the best thing thats ever been mine.

Do you remember all the city lights on the water
you saw me start to belive for the fisrt time
you made a rebell of a careless mans carefull
daughter
you are the best thing thats ever been mine

Oh,oh-oh

And i remember that fight 2:30AM
You said everything was slipping out from our hands
I went out crying and you followed me out into the

street
Braced myself for the goodbye,
Cause thats all i ever known
then you took me by suprise
You said i'll never leave you alone

You said i reemember how we felt sitting by the water
and everytime i look at you its like the first time
I fell in love with a careless mans careful daughter
She is the best thing thats ever been mine

You made a rebell of a careless mans careful daughter
You are the best thing thats ever been mine

Do you belive it
We're gunna make it now
I can see it now
