I need to disappear  
Into the cold wind  
To figure out where I'm going  
Instead of where I have been

There's a girl outside  
That is waiting for me  
Does she know what I want  
Does she know what I need

There's a place I want to go  
How do I get there  
I feel it in my heartbeat  
I feel it in the cold air

My breath is heavy  
And my spirit is light  
I'm standing at the doorway  
My baby's on the other side

Ooh, ooh, ooh, ooh  
Baby you've been on my mind  
Ooh, ooh, ooh, ooh  
You're the only thing I want on this snowy night

Don't walk, Don't walk  
Don't go home alone, home alone, home alone tonight  
Don't walk, Don't walk  
Don't go home alone, home alone, home alone tonight

I could use a drink  
I could stay out all night  
Keeping her warm  
Until the sun starts to rise

So little do I know  
So little figured out  
My head is full of questions  
And my heart is beating louder

Than I thought it ever would  
Seems like time has stopped

I could walked away  
But there's a reason I did not

Let's go and disappear  
Into the cold wind  
We don't know where we're going  
But we know which way we've been

Ooh, ooh, ooh, ooh  
Baby you've been on my mind  
Ooh, ooh, ooh, ooh  
You're the only thing I want on this snowy night

Ooh, ooh,  
(Don't walk)  
Ooh, ooh,  
Baby you've been on my mind

Ooh, ooh,  
(Don't walk)  
Ooh, ooh,  
You're the only thing I want on this snowy night

Don't walk  
(Home alone)  
Don't walk, don't go  
(Home alone, home alone, home alone tonight)

Don't walk  
(Home alone tonight)  
Don't walk, don't go  
(Home alone, home alone, home alone tonight)

Don't walk,  
(Tonight)  
Don't go  
(Home alone, home alone, home alone tonight)

Ooh, ooh, ooh, ooh  
Baby you've been on my mind  
Ooh, ooh, ooh, ooh  
You're the only thing I want on this snowy night
