Did you think about who you were?  
Or who you were hurting with your words?  
You thought it made you a bigger man  
But it was your head that was underneath that sand

I can't put it past even myself  
I just have to believe that all will be well  
Yes I know that life is long, but not long enough  
To ever disregard a friend in the name of love

Forgive me lord  
For I can't forgive, no I can't forgive, no I  
can't forgive  
Forgive me lord  
For I can't forgive, no I can't forgive, no I  
can't forgive

Forgive us lord  
And set our children free  
So that they won't make the same mistakes  
As him and me

Break down the wall  
Of the prison that we endure  
If love can heal a broken heart  
Then it has to be the cure

If love is the cure  
How hard it is to see  
I'm walking down the crooked path  
Where I know where it leads

Forgive me Lord,  
For I can't forgive, no I can't forgive, no I  
can't forgive  
Forgive me lord  
For I can't forgive, no I can't forgive, no I  
can't forgive

Forgive me Lord  
For I can't forgive, no I can't forgive, no I  
can't forgive

Forgive me lord  
For I can't forgive, no I can't forgive, no I  
can't forgive
