Let us start at the beginning
Let us start at the beginning

Let us start at the beginning
So there's no proof of us ever quitting
Let us start at the beginning
There's a new sunrise for ever sun setting

Let us start at the beginning
To save us from this path we're treading
Let us start at the beginning
Your life is waiting on you to be ready

Ready
Let us start at the beginning
You don't know love if you can't forgive
Let us start at the beginning
You'll never know me if you can't let me in

Ready
Your love is my love
My love is your love
Our love is growing
Our love is going nowhere

Your love is my love
My love is your love
Our love is growing
Our love is going nowhere

Your love is my love
(Give, give, give)
My love is your love
(Take, take, take)
Our love is growing
(Let me live)
Our love is going nowhere
(For heaven's sake)

Your love is my love
(Give, give, give)
My love is your love

(Take, take, take)
Our love is growing
(Let me live)
Our love is going nowhere
(For heaven's sake)
Let us start at the beginning
