So sheâ€™s some old friend
Been out with her again
Always going places we have never been

Late most every night
Always starting fights I can never win
You complain about everything

CHORUS
Enoughâ€™s enough youâ€™ve broken my back
Your lying and cheatingâ€™s the reason
I wonâ€™t take no more of your crap

Guess sheâ€™s more you type
That bitch must like to fight
Well if Iâ€™m so wrong then be with Miss Right
Uh Huh

CHORUS
Enoughâ€™s enough youâ€™ve broken my back
Your lying and cheatingâ€™s the reason
I wonâ€™t take no more of your..

Like I said before if you donâ€™t want me anymore
Donâ€™t slam your ass on you way out the door

CHORUS
Enoughâ€™s enough youâ€™ve broken my back
Your lying and cheatingâ€™s the reason
I wonâ€™t take no more of your no
Enoughâ€™s enough youâ€™ve broken my back
Your lying and cheatingâ€™s the reason
I wonâ€™t take no more of your crap
