You dance around the subject  
You spin me â€˜round so perfectly yeah  
Remind me before I forget  
How I love the way you look at me yeah

### CHORUS

You tell me Iâ€™m everything youâ€™ll ever need  
And maybe someday you hope that I will feel the same  
But your smile and every perfect thing you say  
Wonâ€™t make me love you, you donâ€™t have to  
waste your time  
Cos I already do

Who knows you know you might be  
The only one just maybe yeah  
When I feel your arms around me  
Thereâ€™s no place that Iâ€™d rather be yeah

### CHORUS

You tell me Iâ€™m everything youâ€™ll ever need  
And maybe someday you hope that I will feel the same  
But your smile and every perfect thing you say  
Wonâ€™t make me love you, you donâ€™t have to  
waste your time  
Cos I already do

I fell the moment I saw your face  
I just knew my life was all about to change

We dance around the subject  
We spin â€˜round so perfectly  
Remind me before I forget  
That Iâ€™m not dreaming

### CHORUS

You tell me Iâ€™m everything youâ€™ll ever need  
And maybe someday you hope that I will feel the same  
But your smile and every perfect thing you say  
Wonâ€™t make me love you, you donâ€™t have to  
waste your time  
Cos I already do  
Cos I already do no you donâ€™t have to waste your

time  
Cos I already do  
I do
