I got your machine after only two rings again
And the text you send says "I'm busy"
You're not with your friends cuz you ain't got
any
Did you finally get a job baby? Hmmm not likely

Who are you without me? I'll tell you what I see

CHORUS

You Ignorant pig
You're letting me down
You think I can't tell that you're messing around
You're F*cking up big, you don't even know
Don't try to hold on cuz I'm letting you go
You Ignorant pig

It's best you come clean
Just tell me everything
Whatever's been happening
Yeah, I'm listening

Oh really it's nothing? How stupid can you be?

CHORUS

You Ignorant pig
You're letting me down
You think I can't tell that you're messing around
You're F*cking up big, you don't even know
Don't try to hold on cuz I'm letting you go
You Ignorant pig

Taking calls in the next room
You're as subtle as a typhoon
Yeah you really pulled a fast one baby
You're so smooth

You're letting me down
You think I can't tell that you're messing around
You're F*cking up big, you don't even know
Don't try to hold on cuz I'm letting you go
You Ignorant pig!

CHORUS out
