Remember when we both swore we never drag this  
down  
Weâ€™d keep our heads about us and our feet upon  
the ground  
Remember how we talked about the precious and the  
pure  
Weâ€™d know if it was over we promised to be sure

How could you let this go so far knowing

### CHORUS

You lost your faith  
And Iâ€™ve already been replaced  
Some how, some way  
I think Iâ€™ll be ok  
But how could you let me go so far knowing

Weâ€™ve both been through the drama we both  
played all the games  
Now that we have each other we wonâ€™t make the  
same mistakes  
And all those tragic endings letâ€™s just leave them in  
the past  
Hoping we discovered something thatâ€™ll last

How could you let this go so far knowing

### CHORUS

You lost your faith  
And Iâ€™ve already been replaced  
Some how, some way  
I think Iâ€™ll be ok  
But how could you let me go so far

Knowing youâ€™re moving on Knowing youâ€™re so  
far gone  
Knowing Iâ€™m not your last Knowing youâ€™re never  
coming back  
Couldnâ€™t you tell me, couldnâ€™t you tell me  
Couldnâ€™t you tell me, couldnâ€™t you tell me  
Just tell me

You lost your faith  
Some how, some way I think I'll be ok

CHORUS

You lost your faith  
And I've already been replaced  
Some how, some way  
I think I'll be ok  
But how could you let me go so far knowing
