Who's that on the wall?  
It's Jesus, he saves, you know  
But he's so plastic and old  
It's Jesus, he saves, you know

Jesus  
Saved us all  
(He) saved  
My small soul

Who's that by the road?  
It's Jesus, he saves, you know  
Watching the cars go by  
Oh, I'm gonna cry

Jesus  
Saved us all  
(He) saved  
My small soul

Shut up you old rag  
You know nothing about life  
Shut it shut it shut it  
Right now

Jesus  
Saved us all  
(He) saved  
My small soul
