go lie, low guy, go lie, you bloody guy

Interlude

2

your papa bought you brand new - Gibson guitar
'cause you promised him to be the next rock'n roll
superstar

you dream to hit the charts
you wanna rock the arts
you wish to win those hearts
hello, hello how you gonna do that now

chor

finally you're leaving all your friends behind
they are not of your kind
and i know you screw them all
'cause you're a backstabber

3

you disdain your bandmates, they are disgraced
but banana republics will never ever win this war

you use your golden spoon
you claim the silver moon
you still sing out of tune
i know you know we all know that you are a spoiled boy

chor

finally you're leaving all your friends behind
they are not of your kind
and i know you screw them all
'cause you're a backstabber

bridge

now you play in a casting band
you pretend to be the one
but we know this is not true
we all know what you really do

chor

finally you™ re leaving all your friends behind
they are not of your kind
and i know you screw them all
Â´cause youÂ´re a backstabber

outro

youÂ´re a backstabber
youÂ´re a backstabber
