Four straight legs and a circle  
You know you, you found your stool  
Rest your body on it, and hear what songs can do  
Guitars all around. Brings out that holy sound  
And every waking moment holds a secret tune for you  
So get down (down) get up get down (down)Â  
get up get down (down) get up get down (down) get up  
get down  
You got four straight legs and a square  
I think you found your chair  
And just press your back to the rest  
Feel that melodic vocal crest  
Thereâ€™s music all around. It brings out that holy  
sound  
Yeah, every dream you have is gunna help you down  
the avenue  
so get down (down) get up get down (down) get up get  
down (down) get up get down (down) get up get down  
Every waking moment, Every dream you have  
Holds the secret, and itâ€™s gunna help you down the  
avenue  
so get down (down) get up get down (down) get up get  
down (down) get up get down (down) get up get down,  
get up get down, get up get down
