Well blue may mean sad to you
But itâ€™s been holding itâ€™s light around me like a shrine
Oh, and I drink the blue ribbon like I won a prize
Blue is something new to me today
And Iâ€™ve seen it in the sky and the blanket on my bed
Blue is something new to me today
Well, blueâ€™s around the black center of her eye
Her angels are there, they wear their blue causeâ€™ they care
You just canâ€™t mixed up, oh, with her dark blue crew
You gotta keep those colors bright even in the black of night
Causeâ€™ we all get the blues when weâ€™re out and confused
Just donâ€™t get mixed up, oh, with a dark blue crew
You gotta keep your color bright even in the black of night
Causeâ€™ blue is healing wounds up and down the block
Well we all get the blues when weâ€™re out and confused
And you canâ€™t get mixed up, oh, with a dark blue crew
You better keep your color bright even in the black of night
Causeâ€™ blue is healing wounds up and down the block
