

## Andrew Ripp "Spark"

Visit "[Spark](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Verse 1:

Been a long year, been a long year just kinda hangin'  
on. Been a long year, been a long year thinkin' the  
spark was gone.

Chorus;

There it is in the light. There it is in the falling white. It  
finds me.

Verse 2:

Been a long time since you felt like this old town was  
home.

I was starting to feel like magic was something I'd  
outgrown.

Chorus:

There it is in the light. There it is in the falling white. it  
finds me.

There it is where its been all along, a forgotten gift in a  
heavy heart hoping i would open it. There it is

Lalalalalalalalalalalala.

Verse 3:

Been a long time since i really looked in someone's  
eyes, and held that sparkle of hope I know that's been  
missing in mine.

Chorus;

There it is in the light. There it is here on Christmas  
night. It finds me.

Yeah, There it is in the light. There it is in the falling  
white. It finds me.

There it is where it's been all along, a forgotten gift in a  
heavy heart hoping i would open it.

There it is. There it is. Lalalalalalalalalalalala.

Outro;

Been a long year, been a long year thinking the spark  
was gone.
