I can see you're young and pretty
I know it would be so easy
Any way dark lady I feel lazy
Those afternoons are confused
I don't think that you really choose
There's even one more reason to feel lazy
While you go away
While you go away
While you go away
While you go away
I could die but I could lie
I can't deal with what's in your mind
Anyway, I'm tired and I feel lazy
You know we're both lost in a maze
You're miserable, I'm so dazed
Don't you think you should feel
Suddenly lazy
lazy
lazy
While you go away
While you go away
While you go away
While you go away
While you go away
Lazy, la, la, la, lazy
Lazy, la, la, la, lazy
Lazy, la, la, la, lazy
While you go away
While you go away
While you go away
