Hey would you?  
hey would you?  
Hey would you be mine?  
Sing a little lullaby  
you know i need you  
you could paint my mind in blue

But i can't see you smiling

you know i'll be there again  
to tear out of you old pains  
For now it looks like you don't know  
The Things you don't wan't to show

But i can't see you smiling

We coul go anywhere you want to go  
you see those places where ....(?)  
I don't want to hear you calling  
Your mother, your father and your ?  
But i can't see you smiling
