Aggresssion, affliction, rejection, tradition... readin over text to see the messages I'm missing, you say it's commitment, I say it's the distance, you say if we quittin... let me know now, I think I'm movin too fast, but you won't let me slow down, I try to spare you, and save you the heart ache, I say I'm scared... you say that's what they all say. that's what they all say, my backs to the wall haze, we coulda been a hit like a bat & a ball babe, ain't you ever heard chances are for riskin, if u brave enough to shoot, then who could fault you if you miss it. damn, but you ain't really different, duplicate messages cause you ain't really get them, I don't even kno what the fuck to say, but this pain will be forever if you never go away, so you better go away, get the fuck up out my face, to you it's just a game and my heart is not for play, I say my heart is not for play, but you don't hear me when I'm speaking to you, you know my story like I'm sittin here readin to you. So why the fuck you got to play these lil stupid games, you only care about your music and your stupid fame. oh that's angel haze, she a fuckin beast, you never cared about "M" dot fuckin "E" you said that it was okay to put my trust in you, you didn't say id feel betrayed by the stuff you do, you claim everything you say is the fuckin truth, but it's not what you say it's what the fuck you do, but you don't get it huh, it's the stuff you do, that got me wondering like... who the fuck are you, damn I even let you in my daughters life, you told your mom about me, it felt sorta right. it felt sorta right, it felt sorta like... somin crazy would, I ain't know this could get deeper than urchins could, look I let it in, if you want it to, but just so you know, I didn't want it to, I really loved you babe, I woulda done it all, loose my number too, don't ever fuckin call, I can pick up my dog one weekend, and ain't no fuckin way in hell we can be friends.
