### Verse 1:

The earth feared and was still when the venom of a  
viper dripped from their lips  
My soul is in the midst of lions, I lie among fiery beasts  
Listen, a noise on the mountains like that of a great  
multitude  
"There You!" From faraway lands, from the ends of the  
heavens  
Oh Save me from bloody men

### Chorus:

O yeah, I don't need no superman  
Cos all i have is you  
O yeah, I don't need no superman  
I don't need no wonderland  
I don't need no superman

### Verse 2:

Their speech is smooth as butter and yet war is in their  
heart;  
Their throat is an open grave with their tongue they  
speak deceit  
As smoke is blown away by the wind  
You shot your arrows and scattered them  
And you reached down from on high and took me to  
your dwelling place

### Chorus:

O yeah, I don't need no superman  
Cos all i have is you  
O yeah, I don't need no superman  
I don't need no wonderland  
I don't need no superman

Bridge:

As the deer longs for a stream of water  
My soul yearns for you  
And with you, just you, only you  
Worthy is the lamb

Rap - Wordsmith:

My heart is stirred by a noble theme  
As I recite my verses for the king  
In your majesty ride forth victoriously  
Wash away all my iniquity  
Strength and glory are in his sanctuary

Chorus:

O yeah, I don't need no superman  
Cos all i have is you  
Yeah, I don't need no superman  
I don't need no wonderland...  
Oh yeah....  
Cos I don't need no Superman  
You know, you know that it's true  
I don't need need no Superman  
You're all that I need, Lord....
