You can't get through it  
You can't get over it  
You can't get around

Just like in a dream  
You'll open your mouth to scream  
And you won't make a sound

You can't believe your eyes  
You can't believe your ears  
You can't believe your friends  
You can't believe you're here

And you're not gonna get through it  
So you are going down

I put a cup out on the window sill  
To catch the water as it fell  
Now i got a glass half full of rain  
To measure the time between  
When you said you'd come  
And when you actually came

Little mister limp dick  
Is up to his old tricks  
And thought he'd call me  
One last time  
But i'm just about done  
With the oh-woe-is-me shit  
And i want everything back  
That's mine
