Imagine that i'm on stage under a watchtower of
punishing light. and in the
Haze is your face bathed in shadow and what's beyond
you is hidden from sight.
And somebody right now is yawning and watching me
like a tv. and i've been
Frantically piling up sandbags against the flood waters
of fatigue and
Insecurity. and that's when i hear my guitar singing and
so i just start
Singing along. and somewhere in my chest all the
noise just gets crushed by
The song. imagine that i'm at your mercy, imagine that
you are at mine. just
Pretend that i've been standing here, watching you
watching me all of this
Time. imagine that you are the weather in the tiny snow
globe of this song.
And i am a statue of liberty one inch long. so here i am
at my most hungry,
And here i am at my most full. and here i am waving a
red cape, locking eyes
With a bull. imagine that i'm on stage under a
watchtower of punishing light.
And in the haze is your face bathed in shadow and
what's beyond you is hidden
From sight.
