your body  
foreshortened  
below  
your shoulders  
your face  
so close  
it's out  
of focus  
way down  
the hallway  
comes the sound  
of your shoes  
that is what i  
what i think about  
when i think about  
you

if we let our love  
off of its leash  
do you fear, like i fear  
how fierce it could be?

your headlights  
sweeping  
across my  
ceiling  
the breadth of  
my smile now  
the depth of  
my feeling  
way down in my dark life  
a shaft of your light  
shines through  
and that is what i  
what i think about  
when i think about  
you

if we let our love  
off of its leash  
do you fear, like i fear

how fierce it would be?

o my my
