Only a woman
Only a girl
Only a woman
She ain't that kind of girl

Well ya walked in early
You walked in real late
You lit a smoke and ya talked about
How change to stone had a broken gate
Takes me back to that first time
I reached for words that just weren't there
Our lips touched in the moonshine
I pull out skin so late
I pull out skin so bad

Only a woman
Only a girl
Only a woman
She ain't that kind of girl
She ain't that kind of girl

Takes me back to them old days
It's funny how times they come so clear
And you held me close in that sweet rain
I held you so dear
And I held you so dear

Only a woman
Only a girl
Only a woman
She ain't that kind of girl
She ain't that kind of girl
