Gonna go out  
to the arrivals gate at the airport  
and sit there all day  
watch people reuniting  
public affection so exciting  
it even makes airports ok  
watching children run  
with their arms outstretched  
just to throw those arms  
around their grandpas' necks  
watching lovers plant kisses  
old men to their misses  
at their arrivals gate

watching a mother  
with a mother's smile  
don't tell me to move  
i just wanna sit here for a while  
i have determined  
it's a sure cure for cancer  
watching excitement turn family dogs  
into dancers  
at the arrivals gate  
At the arrivals gate  
At the arrivals gate  
At the arrivals gate

i got me a white bread sandwich  
with some shredded lettuce  
and i got me a ringside view  
for my quaint little fetish  
i just wanna drain my little pink heart  
of all it's malice  
and kick back for the afternoon  
in this fluorescent palace  
everyone's in a hurry  
here in purgatory  
except for me  
i'm where i need to be  
Except for me  
i'm where i need to be

Except for me  
i'm where i need to be

Here...at the arrivals gate
