Tell me why you broke  
Tell me 'cause I'm nervous and love  
I've been thinking less  
I've been thinking out loud... to prayers  
Tell me where we are  
Tell me 'cause we never get far

And I've tried my only hand  
And I've tried to keep it simple  
You just couldn't understand

I've been holding back  
I've been holding pieces entrapped  
I don't know what's wrong  
I don't know my reasons  
So long  
Hope has left me here  
Hope has left me wonderin'  
And I feel

And I'm s'pposed to be so free  
And the darkness pulls me over  
Why did it have to be me?

I can't speak my mind  
I can't even speak  
I'm fine  
Tell me why'd you go  
Tell me 'cause I'm nervous  
Take it slow

I don't see you wait  
I don't see you coming  
It's a dream

And it's falling off of it  
Thought I'd never have to face it  
Something hard is here in still
