I love chou,
But chou destroyed me,
And everything we ever could be,
Every time i,
I try ta be there,
Life is just Smoke and Mirrors,

Love is just fake,
Ima fool, and your the JOKER
My hearts a injury,
That you'll never mend,
(That you'll Never mend)
Ohwoah (Ohwoah)

And i loved chou,
But chou messed it up
Everything we said,
Everything chou said,
Every colour of the rainbow,
Everyone Everything,
(Just a lie)

"Chou said you were different, Chou aint different, The
Husky And The Neko that symbolises our love.. what
happened? what happened to us what happened to
you?"

Chou give me butterflys,
Chou make me die inside,
Love is just fake,
Chou are the JOKER,
I am the curse,
It was special,
It was awesome,
It was what i need,
To keep me on my feet,

But chou f*ed it up
now i'm all alone in my room,
cutting over a picture of you,
Writing words ta this song
I'm crying i love chou,

My halo is above my head,

Chou give me butterflys,
Chou make me die inside,
Love is just fake,
Chou are the JOKER,
I am the curse

JOKER
I am the curse

Chou give me butterflys,
Chou make me die inside,
Love is just fake,
Chou are the JOKER,
I am the curse
Curse
Curse
Curse
