Oh ah oh ah x 4

Wait a sec,  
Take a look,  
Look at me,  
Don't chou see?,  
What chou done?,  
Done to me,  
This world of fake colours,  
I'll paint it black,  
I'll paint it black,  
The sky full of lies,  
Stars that lie,  
Stars that lie,  
My meow cries echo softly,  
In the dust,  
In the dust,  
I'm unloved,  
Thoughts of chou  
I hear the barks in the wind,  
Then i bleed,

Stars that lie,  
Rain that falls,  
Dreams that shatter,

My knife is my friend,  
The knife loves me,  
The knife will never hurt me,  
The knife will be there,  
Till the end,

This world full of fake colours,  
I'll paint it black,  
Paint it black,  
This Night full of lies,  
This sky full of lies,  
Stars that lie,  
Stars that lie,  
My meow cries echo softly,  
In the dust,  
In the dust,

I'm unloved,  
Thoughts of chou  
I hear the barks in the wind,  
Then i bleed,

Stars that lie,  
Stars that lie,  
Rain that falls,  
Dreams that shatter,  
Please kill me,  
And end my life,  
End the pain,

Wait a sec,  
Take a look,  
Look at me,  
Don't chou see?,  
What chou done?,  
Done to me,  
This world of fake colours,  
I'll paint it black,  
Paint it black,  
The sky full of lies,  
Stars that lie,  
Stars that lie,  
My meow cries echo softly,  
In the dust,  
In the dust,  
I'm unloved,  
Thoughts of chou  
I hear the barks in the wind,  
Then i bleed,
