Verse:

Drown in the depth of your lies
With tears I can no longer cry
I hope that you
are content with the things
that you do

I don't think I'll float ashore
Cos the love just don't exist no more
You try to be
A lifeguard but can't guarantee

Chorus:

Will you ever be
The person that I need
Will you ever go away?
Cos I am trying to be
Everything you need
But I don't know how much longer I can stay

Verse 2:

Invested all my time
Taken all my energy
I wanna' know
I wanna' be sure
That if I turn back
There's a certainty

That we'll end up together'
Despite whatever
And I'll hold you till the end
My protection and my friend

Chorus:

So Will you ever be
The person that I need
Will you ever go away?
Cos I am trying to be
Everything you need
And I don't know how much longer I can stay

...

Will you ever be
The person that i need
Will you ever go away?
Cos i am trying to be
Everything yu need
And i don't know how much longer I can stay
