E-a E-a, this is a brand new start  
E-a E-a, this is a brand new start  
E-a E-a, this is a brand new start

I've seen it all, have been a bad bad girl wasn't pretty, wasn't pretty  
I lived my life, I've done it all, oh, that's a pity, that's a pity

I spent a year in a car  
When you shoot for the stars  
Is not easy as it seems  
From UK to LA  
Now I'm ready to play  
Ready, ready, ready, ready to play

E-a E-a, I do believe in me  
E-a E-a, but nothing is guaranteed  
E-s E-a, I'm never gonna stop  
E-a E-a, this is a brand new start

In La-La-Land they say that I'm a sinner, I'm a sinner  
But in my head I know that I can do better, I can do better

I stole some shoes in a par, I got lost them in the dark  
But I never stopped to walk  
From Paris to Norway  
Now I'm ready to play  
Ready, ready, ready to play

E-a E-a, I do believe in me  
E-a E-a, but nothing is guaranteed  
E-s E-a, I'm never gonna stop  
E-a E-a, this is a brand new start

La la la la la la la la la la  
Laa-a-a  
Laa-a-a

La la la la la la la la la la

Laa-a-a

Laa-a-a

E-a E-a, I do believe in me  
E-a E-a, but nothing is guaranteed  
E-s E-a, I'm never gonna stop  
E-a E-a, this is a brand new start

This is a brand new start
