Automatic systematic  
Come on don't be so dramatic  
Gimme what I want or I'll take it  
Problematic, would be tragic  
If we couldn't make some magic  
So just come on over and shake it

Oh oh oh  
Well, there's no turnin' back now  
Oh oh oh  
'Cause I want you  
Won't hide it  
Oh oh oh  
It's not love, that's a fact  
I'm sayin'  
Oh oh oh  
That I need you

Aaaaah  
Love that crazy little thing you do  
Aaaaah  
I go crazy when I'm next to you

I I I I I  
I I I I I  
I want you

Stimulated I'm not jaded  
'Cause of you I'm captivated  
The way you move it excites me  
No more waitin', music's playin'  
I don't hear a word you're sayin'  
Touch me 'cause you know it ignites me

Oh oh oh  
Well, there's no turning back now

Oh oh oh  
'Cause I want you  
Won't hide it  
Oh oh oh  
It's not love, that's a fact  
I'm sayin'  
Oh oh oh  
That I need you

Aaaaah  
Love that crazy little thing you do  
Aaaaah  
I go crazy when I'm next to you

Aaaaah  
Love that crazy little thing you do  
Aaaaah  
I go crazy when I'm next to you

Aaaaah  
I want you  
Aaaaah  
I need you  
Aaaaah  
I feel you  
Aaaaah  
And that's true

Aaaaah  
Love that crazy little thing you do  
Aaaaah  
I go crazy when I'm next to you

Aaaaah  
Love that crazy little thing you do  
Aaaaah  
I go crazy when I'm next to you

Aaaaah  
Love that crazy little thing you do  
Aaaaah  
I go crazy when I'm next to you

Aaaaah  
Love that crazy little thing you do

Aaaaah  
I go crazy when I'm next to you
