Four kicks down and now I'm pissed
I drop bombs from the sky, can you handle this
Well you really can't knock it 'cause your powerless to
stop it
So you might as well just give it up and rock with it
Well I found Johnny D at the blue-line station
To me he uttered this information
There's a zead in my head, and a zain in my brain
And there's a wedule on the schedule for the
motherfuckin' train
Don't give me that look, don't dive me that pout
Still tyrin' to figure out what the shoutin's all about
Cause when you get this response its automatic
As I put my noise inside your attic, c'mon

Bulletteime bombs, yeah

I said to my brother from another mother get yourself
another lover
'Cause that motherfucker is a temptress
She's una chica bonita, she's a sexy seniorita,
But the girl is just so motherfuckin clueless

Bulletteime bombs, yeah

While keeping time I drop a line, it rolls right off the
tongue
I only say what I should
In bullet time I drop a line, it rolls right off the tongue
and
I only bring what's still good

Bulletteime bombs
