Aaahhhhh

Make it shine like pink! (pink, pink)

Pink stars in the sky!

I understand you, you need a bit of, happiness.

Remember to keep, in mind.

That you'll never be so not kind

Always flick your opponent if they get it right,

Then joke around, laugh and have some juice, oh it will
be so nice

I know, there will be some colder snow,

Then turn around, touch the ground, and go look in the
lost and found, yeah.

Just make it shine like pink! (pink, pink)

Pink stars in the sky!

I understand you, you need a bit of, happiness.

Well I will show you, pink! (yeah, pink)

Pink stars in the sky!

If you don't freak out well, I'll let you fly.

You know me, I may sound like a buzzing bee

Then high five a cat, look at that, stop acting like a brat,
ok?

Just make it shine like pink! (pink, pink)

Pink stars in the sky!

I understand you, you need a bit of, happiness.

Well I will show you, pink! (yeah, pink)

Pink stars in the sky!

If you don't freak out well, I'll let you fly.

Ooooooh, ooooooh, oh, I'll let you fly.

Ohhhh, oh yeeaaahhh ...

I'll let you fly?! YEAH! YEAH!

Bum ba dum da bum ba dum..

Just make it shine like pink! (pink, pink)

Pink stars in the sky!

I understand you, you need a bit of, happiness.

Well I will show you, pink! (yeah, pink)

Pink stars in the sky!

If you don't freak out well, I'll let you fly.

Just make it shine like pink! (pink, pink)
Pink stars in the sky!
