

## Antalgia "Lines Of Life"

Visit "[Lines Of Life](#)" on [MotoLyrics.com](#)

Before you jump  
Look inside yourself  
See the lines of life  
Youâ€™re about to abandon  
Donâ€™t look back  
It will hurt  
Eliminate your past  
Life is waiting, let me in before youâ€™

Run away  
Look deep down  
Analyze yourself  
And there youâ€™ll find me

Destiny embraces you as if it were me  
And me in silence always close to you  
â€™Cause Iâ€™m not able to tell you the truth  
I love you in silence, I love you in silence

You must wish  
And it will be  
One more minute  
And the rain will cleanse  
All corners of heart  
Where we used to  
Hide from the world  
You and I alone

Donâ€™t close the door  
Iâ€™ll be left out  
Enable to save you  
And all become to end

Destiny embraces you as if it were me  
And me in silence always close to you  
â€™Cause Iâ€™m not able to tell you the truth  
I love you in silence, I love you in silence

You will find the key  
Donâ€™t doubt your strength  
I will be watching  
In case you stumble

To lift you, to care for you,  
To make your dreams come true  
You know how to succeed
