

## Antalgia "Memories"

Visit "[Memories](#)" on MotoLyrics.com

Every time everything seems to go well  
The cold rain reminds you  
That all is frail like a dry leaf  
So many hopes deposited  
So many moments encaged  
She who saw my birth  
Must now be me goodbye

Like water that runs free  
Must free my soul  
Within this lake of pain  
There are so manyâ€¦

Memories inside my heart  
So hard to leave you  
Memories engraved in my mind  
I need to findâ€¦

Time to chance has arrived to  
Overcome this new situation  
It's hopeless to regret  
Don't waist time and return to your past

When I feel the daylight fall  
Nothing can't scape my return  
To the moment  
When everything disappear  
I'm in need of energy  
But I must go on  
And I like to smile again  
But there are so manyâ€¦

Memories inside my heart  
So hard to leave you  
Memories engraved in my mind  
I must carry on  
Cause I'd like to smile again

Time to chance has arrived to  
Overcome this new situation  
It's hopeless to regret  
Don't waist time and return to your past

Shout! Until you know  
How to difficult it is to forget  
What I fought for  
Break! The chains that keep me  
Tied to the past  
Freeing my sad soul

Time to chance has arrived to  
Overcome this new situation  
It's hopeless to regret  
Don't waist time and return to your past

Today I felt your kiss upon my soul  
Your memory tinges my new life  
With colors of joy  
Tears of fire  
I will be happy again  
You'll always been  
In my memory
